Gypsy Swing in the Spirit of Django Reinhardt

## Private Parties and Corporate Functions

Who doesn't want a special occasion or event to be something unique?

Whether in the background enhancing the flow of your event, featured as a main part of the event, or somewhere in-between, the right music can add an ambiance like nothing else. If you are looking at this page, you have already headed in a different direction from standard event music. Hot Club of Saratoga's energetic, upbeat gypsy swing style is perfect to help make your event memorable. Never too loud, always classy, we are sure to bring a smile to those who listen.

Since forming in early 2013 Hot Club of Saratoga has been a hit at private parties, whether providing music for a soiree, a reception, mixer, cocktail hour, dinner, a birthday, anniversary, or other special event. We can play totally acoustically through a range all the way to a full sound system depending on the nature of the event.

If you are looking for music for a corporate function, just tell us what you have in mind and leave the rest to us. Always professional, your event will flow without you having to give us a second thought. There is a reason that since forming in early 2013 many of our appearances have lead the people represented in the listings below to bring us back again.
