

Hot Club of Saratoga at Your Wedding

Who are we?

Hot Club of Saratoga, the premier gypsy swing ensemble in the region, reflects the spirit and style originated by Django Reinhardt and Stephane Grappelli in the 1930's. Bringing this music alive from high energy dancing rhythms to soulful ballads and everything in-between, Hot Club of Saratoga has brought the hot swing sound to coffee houses, restaurants, clubs, swing dances, festivals, fundraising soirees, corporate functions, private parties, and, of course, wedding ceremonies and celebrations.

Why Hot Club of Saratoga?

You want your celebration to be unique, memorable. Music plays a large part in the ambiance and flow of your event. A unique, tasteful, energetic, upbeat style is in order. Our style of gypsy swing is just that, always delivered with class and charm.

What We Can Provide?

We can play various roles in your wedding ceremony and celebration depending on nature of your day.

The Cocktail Hour Many couples have found this to be our best niche. It is a perfect time for live music regardless of what else you have planned. As part of the celebration, the cocktail hour sets the stage for the reception. What a great space to put a unique touch on your special day. Our style and musical repertoire will always be different from any wedding band or DJ that might follow, and very likely any cocktail hour group you have heard. Always classy, never too loud, moving and upbeat, we provide the perfect energy for you and your guests to mingle, relax, and begin to celebrate.

The Ceremony Live music during guest seating and key parts of the ceremony can make lasting impressions. Four of our five regular band members are classically trained musicians. We have provided instrumental music during ceremonies ranging from classical trios with string bass, violin, and clarinet, to numbers from our repertoire by the whole group, to folk selections.

The Reception The traditional wedding band or DJ is a popular choice for this party stage of the celebration. Our style and presentation for a reception is best suited for those who just want a fun upbeat party to celebrate their wedding. More like a swing dance with music running the gamut from high energy toe tapping dance your feet off, to mid tempo swing tunes, to soulful ballads, Hot Club of Saratoga always provides a night of fun. Usually, we play receptions for couples who are looking for a more informal party to follow a wedding ceremony.

Probably our most common role in a wedding is the cocktail hour, often combined with music during the ceremony.
